For Immediate Release:

BTC promotes Chuck Grimm to Chief Operating Officer

Wake Forest, NC. April 2010 –BTC Electronic Components, Inc. is proud to announce the promotion of Charles F. Grimm to Chief Operating Officer. As COO, Mr. Grimm will oversee the company's day to day operations including manufacturing, distribution and quality systems.

Mr. Grimm joined BTC in 1988 as the company's Quality Manager. In 2001 he was promoted to General Manager. Since joining the company he has been the key driver in building a quality focused, customer driven culture. Mr. Grimm was instrumental in relocating the company to North Carolina in 1995, becoming ISO 9001 certified in 2005 and AS9100 certified in 2009. With his leadership, the company has seen significant growth in both revenues and profitability. Prior to joining BTC, Mr. Grimm retired from the US Air Force after 20 years of service. Robert Barnett, Chairman of BTC commented "We are delighted to have Chuck in this new role."

BTC is an authorized, value added distributor of interconnect products for military, aerospace, industrial and medical applications. The company is franchised by 28 manufacturers and AS9100/ISO 9001:2000 certified. Special services include custom assembly, part modification, application design, customized packaging and a wide range of innovative supply chain solutions. The company is headquartered in Wake Forest, NC and has sales offices in New York and Las Vegas.
