Wire Assembly Technician (Wake Forest, NC)

We are GROWING! Do you have the skills and motivation to roll up your sleeves and contribute on the production floor and the knowledge and experience to improve the efficiency and capacity of a rapidly growing harness shop? If so, BTC is looking for you!

For more than 35 years, BTC Electronic Components has served the Military/Aerospace, Transportation, Industrial, and Commercial industries with high reliability connectors and connector accessories. Our electronic component expertise led to the formation of the Cable Assembly & Wire Harness Division of BTC in 2012. Having quickly seen success, we are looking for individuals to assist with the increased manufacturing workload while helping expand and grow the Cable Assembly & Wire Harness Division. There is plenty of room for growth for the right candidate.

Core Responsibilities

- Assist and direct in the building of cable harness assemblies for prototype, production final assemblies and sub-assemblies following verbal direction, prototype drawings and production drawings.
- Construct wire harnesses using appropriate connectors and wire sizes along with proper crimp, solder and assembly techniques.
- Assist with area efficiency improvement projects.

Specific Knowledge, Skills and Education

- Attention to detail
- Highly motivated
- Excellent interpersonal and communication skills.
- Must be able to read and comprehend engineering assembly drawings, BOMs, and electrical schematics.
- Use electrical test equipment but not limited to digital multimeter, power supplies, signal generator and specialized test equipment to perform testing, checkout and troubleshooting function.
- Understand requirements of IPC/WHMA-A-620 and IPC-A-610, J-Std-001

Additional Requirements

- Standing for long periods of time, climbing up and down ladders, bending, grasping, sitting, pulling, pushing, stooping, and stretching are generally required to perform the functions of this position.
- Ability to read and speak English fluently
- Ability to lift up to 50 pounds unassisted
- Strong computer skills
- Ability to distinguish colors is required

Compensation & Benefits

- Competitive base salary, company paid vacation and holidays
- Comprehensive medical insurance with copays, 401K, and profit sharing
- Long Term Disability Life Insurance

ITAR Requirements

To conform to U.S. Government export regulations, applicant must be a U.S. citizen, lawful permanent resident of the U.S., protected individual as defined by 8 U.S.C. 1324b(a)(3), or eligible to obtain the required authorizations from the U.S. Department of State.
